How To Use Agent Branding

Here are the steps for you to take your branding to the next level in OneHome™:

- Access Matrix > Settings > My Information > OneHome tab
- Fill in your contact details, profile information, upload pictures, videos, social media handles, etc.
- Save your changes

All changes will then be reflected in OneHome™!

If you do not fill in the agent profile content, the OneHome™ default message will be:

"Together, we'll use OneHome™ to search for your dream home, exchange notes on what interests you, and schedule property visits and open houses. To contact me, select my icon at the bottom right corner."
