

# New Digital Marketing Tools Via the Remine Marketing Center.

## Elevate Your Online Presence with the Help of Remine!

On **November 10**, **Remine** will expand its product offering to include new digital marketing tools available through the Remine Marketing Center. The Remine Marketing Center will house new digital marketing tools to help you elevate your online presence. As a Stellar MLS customer, you will gain access to ad optimization, analytics, and more.

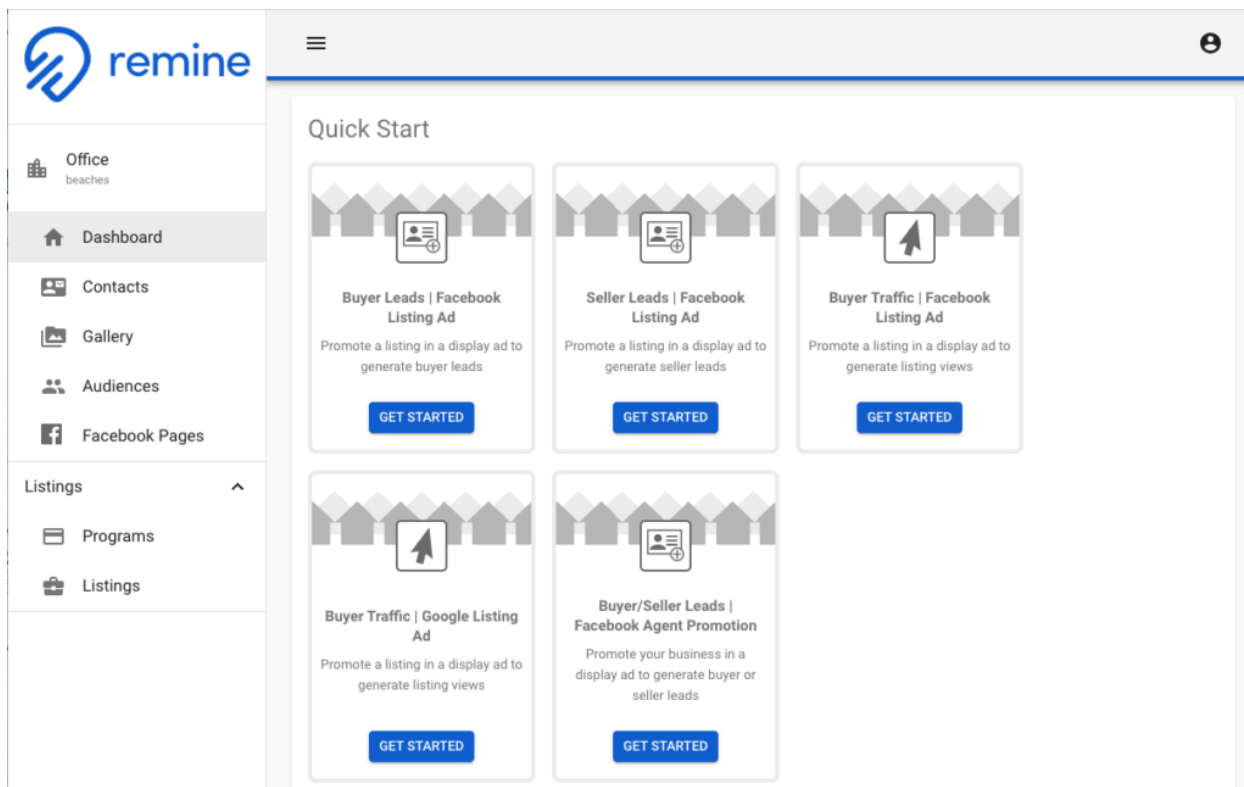

Soon you will be able to utilize Facebook and Google ad blueprints, powered by data from Matrix, to create lead-generating ads directly from your Remine Pro account. With Remine, you can spend less time creating and testing digital ads and expect a more efficient and optimized digital marketing experience than using Facebook and Google's tools alone. Check out what makes marketing with Remine a simplified and streamlined experience with some upcoming features below.

**Auto-Populated Blueprints** - With ad blueprints built by industry professionals, use Stellar MLS Data to quickly create your custom ad to market your listing. There will even be a step-by-step ad creation process!

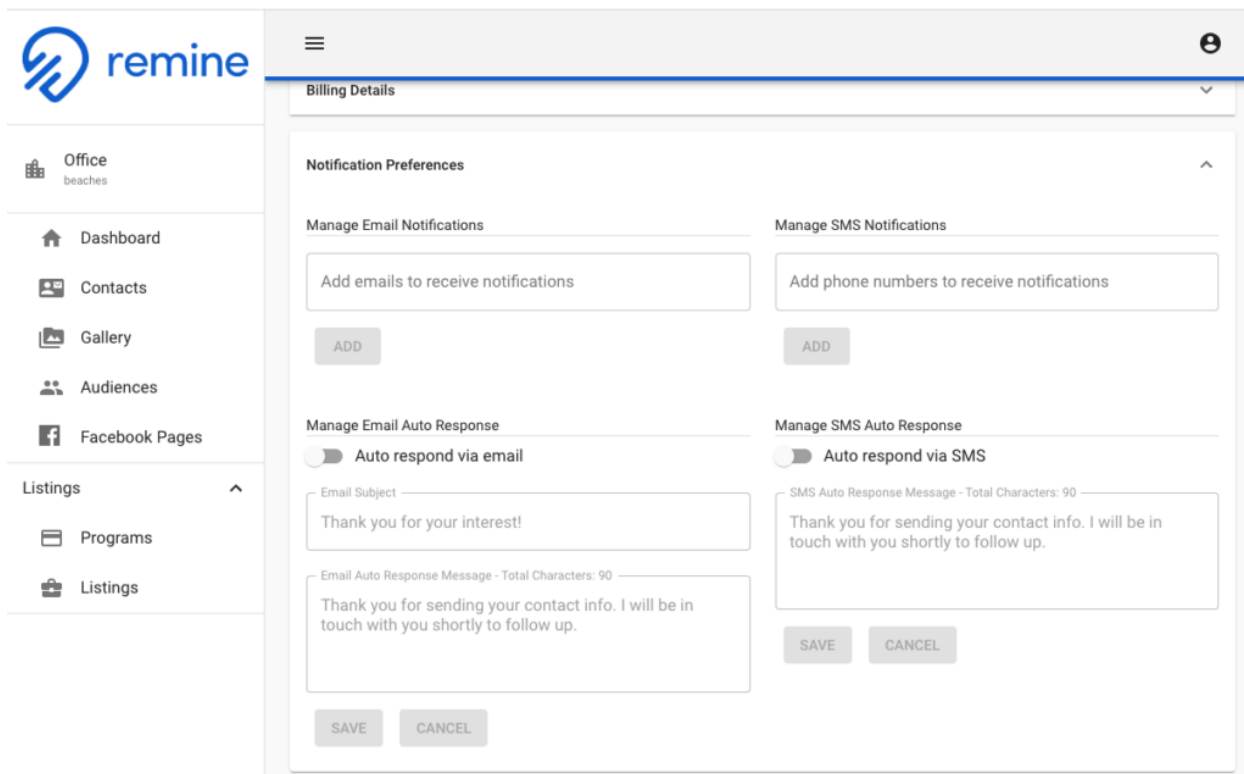

**Ad Optimization** – Based on machine learning, any ad you create in the Remine Marketing Center can be viewed by the most relevant user and best audience. This digital network can ensure your listings are presented to the best leads.

**Real-Time Notifications** – Instantly respond to leads via Remine's SMS notifications. So even when you're on the go, you stay engaged with your active leads.

**Real-Time analytics** – Through the Remine Marketing Center, you will be able to manage your ad, adjust ad spending, and track data analytics.

The screenshot shows the Remine Marketing Center interface. On the left is a sidebar with navigation links: Office (EV Admin Group), Dashboard, Contacts, Gallery, Audiences, Facebook Pages, Listings (expanded), Programs, and Listings. The main content area displays program details for Program ID 1453450920284195400. It shows the order status as 'Cancelled', ad status as 'Inactive', and billing status as 'Cancelled'. The blueprint is 'Facebook Listing Ad - Buyer Leads'. A calendar shows the start date as September 30, 2021, and the cancelled date as September 29, 2021. The total cost is \$450, with a Visa card ending in 4242, expiring 04/2024. Below this are six analytics cards: VIEWS, LIKES, COMMENTS, SHARES, CLICKS, and CONTACTS. The 'Ads' section shows a message: 'You don't seem to have any ads yet. We're getting your order set up and published.' The 'Contacts' section is partially visible at the bottom.
