Change SqFt Total Field Requirement

Previous

SqFt Total	SqFt Total Source
<input type="text"/>	<input type="text"/>

Current

SqFt Total	SqFt Total Source
<input type="text" value="1000"/>	<input type="text"/>

Where can I find this field?

The SqFt Total field is located under the Interior tab on the input forms.

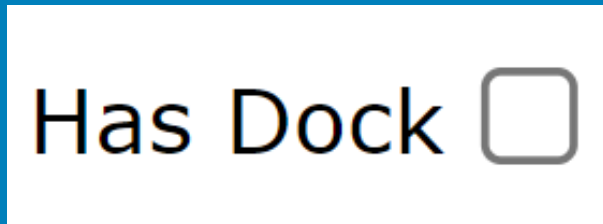

New Business Rule:

The SqFt Total field is now a required field. A value greater than 0 must be entered. This will then make SqFt Total Source conditionally required.

Property Types Affected:

- Residential
- Rental

New Search Control - Docks

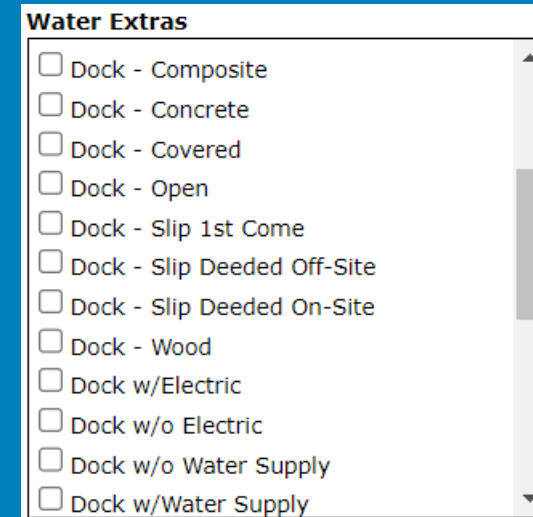

New Search Control:

We added a new search control for docks, where if the box is checked, it will search for any property that has any of the Dock options selected in the Water Extras field.

****To Add this field to your search criteria:***

Click on Add/Remove > search available fields for 'Has Dock' > click 'Add' > Back button at bottom of screen
